

Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/22/93176					
Surveyor	JM					
Site assessment Date	22/06/22					
Address	7 PEVERELLS WOOD AVENUE, CHANDLER'S FORD, EASTLEIGH, SO53 2AX					
Work notification/ request	1 no. ash - sectional fell because of die-back.					
Comments/ observations following site visit	The crown of this ash tree is clearly visible above the roof of the property, but it is one of the smallest within a cohesive group of ash trees. The tree does show suspected ash die back and its removal would only have a very small impact on the overall amenity in this area.

Decision notice	Consent: 1 no. ash - sectional fell because of die-back.					
Conditions	Standard					
Notes to applicant	I observed a bracket of Inonotus hispidus on the underside of the south-eastern limb of the largest ash tree while standing in the lane to the rear of the property, an inspection of this tree would be recommended by a professional tree inspector.
