Description of Proposed Works

Please describe the proposed works

I have had a 180cm closed board fence topped by 50cm trellis top at the rear of my property for approx 20 years. Earlier this year I replaced it with a 243cm rear fence because it was old and falling down. I chose the closed board fencing to the full height because I am now widowed and and we have had a lot of break in in the area in the last couple of years. I hadn't realised that this was higher than it should be until a member of your staff, Mr Mathew Parr, phoned me to tell me that it had to come down or i had to seek planning permission.. So i am now applying retrospectively to be allowed to keep my fence.

I dont know the actual dates but it was early this year. It was completed in a little over one day as its a very short bit of fencing
