Dear Ms Webb,

STONEHAM LANE FOOTBALL COMPLEX, STONEHAM LANE, EASTLEIGH, SO16 2PA

New demountable classroom

In regard to application F/22/93306, having reviewed the information contained within the application pack, there is no objection in principle from HCC as Local Highway Authority.

The site of the proposed classroom does not impact on parking, or the movement of vehicles around site.

However, what hasn't been provided is information on the number of 'players' and teaching staff that will be attending site on an average day, what time the associated movements are likely to take place, and onwards how it is anticipated that they will travel to site (i.e. bus, walk, cycle or car). This information is required to (a) assess the potential traffic impact on Stoneham Lane, and to (b) assess the need for cycle and vehicle parking on site which has been outlined as zero on the application form. It would be anticipated that at least some attendees will cycle or drive, and so details of areas where they are permitted to park are required to ensure no parking overspill occurs in surrounding areas.

Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI

If the additional information can be provided, a re-assessment of the application can be undertaken accordingly.

Yours sincerely,

Matt Grantham
