Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall be implemented in accordance with the following plans numbered: 399_03

Reason: For the avoidance of doubt and in the interests of proper planning.

- 2 The development hereby permitted shall start no later than three years from the date of this decision.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in type, colour and texture those used on the existing building.

Note to applicant:

In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be informed. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/im-working-on-a-building-with-bats/ive-found-a-bat-during-works>.

Note to Applicant: You are reminded of your duties under the Party Wall Act 1996.

This requires a building owner to notify and obtain formal agreement from adjoining occupier where the building owner intends to carry out work which involves:

1. Work involving an existing shared wall with another property;
2. Building on the boundary with a neighbouring property;
3. Excavating near a neighbouring building, and that work falls within the scope of the Act. Procedures under this Act are separate from the need for planning permission and building regulations approval.

'The Party Wall etc. Act 1996: explanatory booklet' is available at www.communities.gov.uk.

Note to Applicant: In accordance with paragraph 38 of the National Planning Policy Framework (July 2021), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Yours faithfully
