Details of the pre-application advice received

Our client spoke to Clare Martin about the feasibility of enlarging a front dormer window and increasing the proposed rear/side extension by just less than 1m. Her advice was to send in an application for both elements. It has now been decided by our client to defer the dormer alteration so this application is for the slight enlargement only.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
