

Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/22/93210					
Surveyor	JW					
Site assessment Date	07/07/2022					
Address	25 WEAVILLS ROAD, BISHOPSTOKE, EASTLEIGH, SO50 8HQ					
Work notification/ request	3 no. ash - group of 3 trees, remove 1 ash either side and keep the middle tree but reduce it by 2 metres. Trees outgrown the available space.					
Comments/ observations following site visit	Trees form a cohesive canopy, positioned to the rear garden of the property and are visible from Weavills Road between breaks in properties. The middle tree's crown has grown out towards the garden; retaining only this tree would significantly reduce the size of the group and its visible presence from the road. A further reduction of the middle tree would add to the loss visual amenity. The reduction specified is not clear in terms of the canopy spread that will remain.
