Hi Gary

Following my email of the 1st July, it has been pointed to me that I have quoted the incorrect address. Please can you change any reference to 22 Oatlands Road to 22 Maddoxford Lane. Please accept my apologies – the error is mine.

Any queries, please do let me know.

Kind regards

Debbie Case
Deputy Parish Clerk

Subject: Botley Parish Council - Planning App: F/22/93238 23 Oatlands Road, Botley

The Planning & Highways Committee has considered this application and agreed the following comments:

F/22/93238 23 Oatlands Road, Botley - Construction of detached three bedroom dwelling with parking, amenity space and creation of new access.

Object

Members of the committee are concerned with the over-development of this site given no. 23 has previously been extended. The proposed development changes the character of Oatlands Road and the long gardens to the rear. The development backs on to the gardens of several other properties with specific impact being placed on No 22 Oatlands Road as the boundaries are extremely close. Vehicular access would impact on No. 21 due to the location of the proposed driveway.

Kind regards

Debbie Case
