Description of Proposed Works

Please describe the proposed works

Retrospective Planning Permission for one fence panel in rear of property replaced after repeated vehicle damage between 2019 and in 2020. Original Panel had trellis on top to height of 2.25 metres in line with existing fence height of 2.25m which has been in situ since 2010. The new re-enforced panel is exactly same height as pre-existing fence with trellis and is of same construction, colour and materials.

The fence is to maintain security and privacy. We have had reasons to call the Police and report break-ins to our garden, destruction of property on 2 occasions and have alerted both Eastleigh council and Housing association regarding the anti social behaviour from children at the rear of our property who use the tree at the back as a climbing frame and hang over our fence, sometimes with abusive language, stones and balls thrown over and extremely noisy with no privacy at any time. There is also a tall van which parks on the other side of the fence panel and can be seen from our house and garden.
