Dear Sir

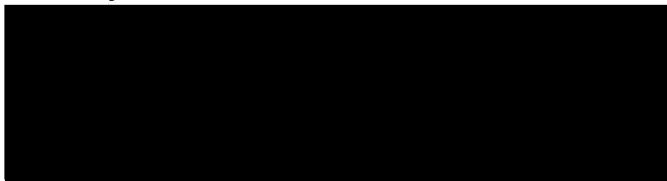

*Legal Services Consultation:
Application for a Certificate of Lawfulness of an Existing Use or Development*

Thank you for your correspondence dated 13 July 2022 (received 22 July) re the area on Application Number LDC/22/93212 edged in red.

As I walk my dog in the area and have done since 2008 I know this plot very well. The area edged in red has not been used continuously for keeping horses for 10 years. It is only in recent years after a mains water connection was established from Brook Lane that horses were brought onto the site.

Prior to 2017 it was an untended area of copse.

Yours sincerely

Mrs P Stanislas
