Dear Ms Webb

Land on Corner of Belmont and Wiltshire Road, Chandler's Ford

Proposed 5G telecoms installation: 15m street pole and 3 additional ancillary equipment cabinets and associated ancillary works.

In regard to application PN/22/93378, having reviewed the information contained within the application pack it is noted that the proposed positioning of the pole and ancillary equipment do not obstruct visibility splays of the movement of pedestrians.

As such, there is no objection to the proposals from a highway perspective.

Yours sincerely,

Matt Grantham
