Dear Ms Hei-Tung-Hoh,

EDENBRIDGE HOUSE, SCHOOL ROAD, BURSLEDON, SOUTHAMPTON, SO31 8BW

Retention of existing gate piers and the installation of a new vehicular entrance gate(Partly retrospective app)

In regard to application H/22/93338, having reviewed the information contained within the application pack, there is no objection to the proposals from a highways perspective.

The proposed gates are set into site beyond the minimum 6.0m from the highway edge, and whilst the initial portion of the driveway is shared with neighbouring properties, there is adequate space for at least two vehicles to either wait, or pass by side-by-side and therefore not create a blocking situation on the highway itself.

Yours sincerely,

Matt Grantham
