

Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/22/93331					
Surveyor	SK					
Site assessment Date	05/08/2022					
Address	182 STIRLING CRESCENT, HEDGE END, SOUTHAMPTON, SO30 2AL					
Work notification/ request	(G1) Western Red Cedar (WRC) hedge within rear garden - Reduce in height by up to 1m trim lateral growth work to maximum capacity whilst retaining greenery by the removal of new growth only.					
Comments/ observations following site visit	Maintenance of hedge line. Will not significantly alter character of area, the hedge is barely visible between houses and just over a neighbouring wall. The hedge looks to be outgrowing its space: advise resident of ability to cut back into the brown if it is WRC.

Decision notice	Consent: (G1) Western Red Cedar hedge within rear garden - Reduce in height by up to 1m trim lateral growth work to maximum capacity whilst retaining greenery by the removal of new growth only.					
Conditions	Standard					
Notes to applicant	Western Red Cedar (<i>Thuja plicata</i>) will regrow from cut wood so, unlike Leylandii, you can cut into brown 'growth'. If you are sure of the species, this might be worth considering for future management. This consent only covers what was applied for.					
Parish comments	No Objection the hedge is not covered by a TPO.
