Dear Mr Huckfield,

**HAMPSHIRE FIRE AND RESCUE SERVICE HEADQUARTERS, LEIGH ROAD,  
EASTLEIGH, SO50 9SJ**

**Demolition of the existing "Live Fire" training buildings and removal of the firefighting foam training pad on the site of the Hampshire & Isle of Wight Fire & Rescue Service Headquarters. Installation of new live fire training facilities and associated smoke filtration units. Construction of associated hardstanding and fencing to the perimeter.**

In regard to application F/22/93473, having reviewed the information contained within the application pack, there is no objection to the proposals from a highways perspective.

The location and works proposed do not affect access in or out of site onto the highway, and the parking provision will be unaffected.

Yours sincerely,

Matt Grantham
