Dear Ms Webb,

**THORNDEN SCHOOL, WINCHESTER ROAD, CHANDLER'S FORD, EASTLEIGH,
SO53 2DW**

**Two single-storey extensions to an existing single storey administration building
to provide additional office & meeting room accommodation together with
reconfigured car parking**

In regard to application F/22/93487, having reviewed the information contained within the application pack, there is no objection to the proposals from a highways perspective.

The proposals are essentially for the betterment of existing facilities, rather than a trip generator in their own right, and no access alterations onto the highway are proposed. Onwards, whilst the reconfiguration of the adjacent car parking area results in the loss of one vehicle parking space, this is unlikely to result in significant impact.

Yours sincerely,

Matt Grantham
