Dear Mr Osmond,

HOLIDAY INN, PASSFIELD AVENUE, EASTLEIGH, SO50 9PG

Consent to display 2no. internally illuminated fascia signs, 1no. non-illuminated wall-mounted logo & canopy surround to front entrance.

In regard to application A/22/93514, having reviewed the information contained in the application pack, there is no objection from a highways perspective.

The proposed canopy surround and the proposed signage neither obstruct vehicle or pedestrian movement, and it would not be anticipated that the proposed signage (at 450 cd/sqm) would cause a distraction to passing road users. It would however be requested that the following condition be applied should a planning approval be forthcoming.

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than 450 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours sincerely,

Matt Grantham
