Subject: C/22/93425 - Hamble-le-Rice Village Memorial Hall, High Street, Hamble, SO31 4JE.

Alex,

This store at the rear of the Memorial Hall site is on the boundary of the conservation area and not in sight of a listed building, so not affecting the setting of one. These structures are not usually very becoming when new, let alone when near the end of life, so will not be enhancing the area, particularly if on the move anyway. No objection to the demolition of this concrete structure.

Regards,

Tim.
