PAPER SIZE - A1

Submitted for comment to the local authority

Measurements in mm and are approximate.

Floor plans and elevations 1:100

General notes - please read

1) Any aspect of these drawings are unclear, please ask. Additional measurements, detail etc can be added if needed. Don't guess - always ask!

2) The drawings are for information only. No part of these drawings should be used for any other purpose without the written permission of Extension Design Building Plans Ltd.

3) Where planning permission is required, all conditions of approval must be satisfied prior to the start of building work.

4) The local authority's building control or a private building control company's engineers must also be obtained prior to the start of work.

5) Where a local water authority is involved, the agreement must be given prior to the start of work.

6) Work started before these permissions are granted are done so entirely at the site owner's own risk.

7) All measurements shown on these drawings need to be checked on the building site of work by the client.
