

Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/22/93529					
Surveyor	SK					
Site assessment Date	26/08/22					
Address	23 BARROWFIELDS CLOSE, WEST END, SOUTHAMPTON, SO30 3HU					
Work notification/ request	Stretch of trees bordering the garden - reduce in height by up to 2 metres in order to restore satellite signal.					
Comments/ observations following site visit	Previously refused a 10m reduction on row of offsite trees. They form a cohesive and green backdrop and screen the school behind. Same considerations apply to a lower reduction. Satellite reception is not something for which tree works are approved. Reducing them will bring natural form trees into a management regime that will need to be maintained into the future. Common law pruning consented in June of this year and has been carried out.					
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area	
		X			Raise no objection	TPO
Decision notice	REFUSE: Reduce in height by 2m a group of trees growing offsite to rear of garden.					
Conditions	N/A					
Notes to applicant	Satellite reception is not something for which pruning of protected trees will be granted.					
Parish comments	The planning committee for West End Parish Council object to this application as they do not feel the reasoning of the applicant is strong enough.					
Public objection/ support	Support		Objection		Observation	
	0		0		0	
Objection/ support consideration	The Parish's comment has been noted.
