Application Number	T/22/93545				
Surveyor	Charlotte Holloway				
Site assessment Date	24/08/22				
Address	231 WINCHESTER ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 2DX				
Work notification/ request	1 no. oak (T1) - Permission to remove 2x lowest limbs extending toward neighbouring property to allow more light into the garden. A further crown lift of smaller tertiary limbs to a height of 6 metres.				
Comments/ observations following site visit	Tree is visible from the front of property, alongside neighbouring properties. The trees crown break is high; therefore, the lifting of tertiary growth is unlikely to alter the current form of the tree. The lower limbs extending south are in close proximity to structures, the proposed removal prior to growth making contact will allow final wounds to be smaller.
