Dear Ms Morris,

**WESSEX GALVANIZERS, ENTERPRISE HOUSE, TOWER LANE, EASTLEIGH,  
SO50 6NZ**

**Discharge of conditions 4 (desktop study) and 5 (CEMP) of planning permission  
F/22/92772 for extensions to existing industrial unit**

In regard to application DC/22/93534, and the discharge of the highways related condition 5 - Construction Environment Management Plan (CEMP), having reviewed the information provided on the planning portal, there is no objection to the discharge from a highways perspective.

The CEMP demonstrates adequate space on the site for the various activities involved in construction, and it onwards outlines how the highway will be kept clear of mud and debris through the use of road sweepers as and when required.

Yours sincerely,

Matt Grantham
