

Ecology response for H/22/93554 34 BRYONY GARDENS, HORTON HEATH, EASTLEIGH, SO50 7PT

Partial garage conversion, single storey rear and side extension, addition of front porch, first floor side extension and alteration to fenestration (Amended Scheme to previously approved H/22/93116)

Alex Stone

There are records of bats nearby but no potential bat roost features in the building. My advice is the same as for the previous application.

Please could you add the following informative to the decision notice:

In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be informed. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/im-working-on-a-building-with-bats/ive-found-a-bat-during-works>.
