Hi David,

F/22/93703 - HAMPSHIRE FIRE AND RESCUE SERVICE HEADQUARTERS, LEIGH ROAD

Arboricultural Documents

None of relevance.

Comments

The proposal does not differ significant, in an arboricultural perspective, from the previous permitted scheme. There are no significant trees within the red line or within influencing distance of it. The temporary parking places 15 to 21 appear to be on existing hard standing and so we have no objections.

The case files contain an arboricultural report, but this is 5 years old and for another section of the site. We have not taken it into consideration during our decision-making process.

We raise no arboricultural objection to the proposal.

Kind regards

Chris.
