

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/22/93745					
Surveyor	SK					
Address	Land adjacent Upton Lodge, Blundell Lane Bursledon SO30 1AA					
Proposed work	Group of mixed species woodland trees - Crown lift around field edge to 4.5-5m to allow tractors access into paddock area for maintenance.					
Assessment Date	23/09/22					
Officer comments	SK has previously surveyed the site for the owner. The lifting will not affect the amenity of the woodland fragments as the margins are all internal, so the view from the roadside will be unaltered. Horses are sometimes kept in the paddock so this will reduce browsing, and the lift is to allow for tractor grass-cutting and haymaking. Left message for tree surgeon to check nothing larger needs to be removed.					
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area	
					Raise no objection	TPO
