

Timeless Sashes Ltd

Sash Window Renovation Specialists

Client: David and Angela Godfrey

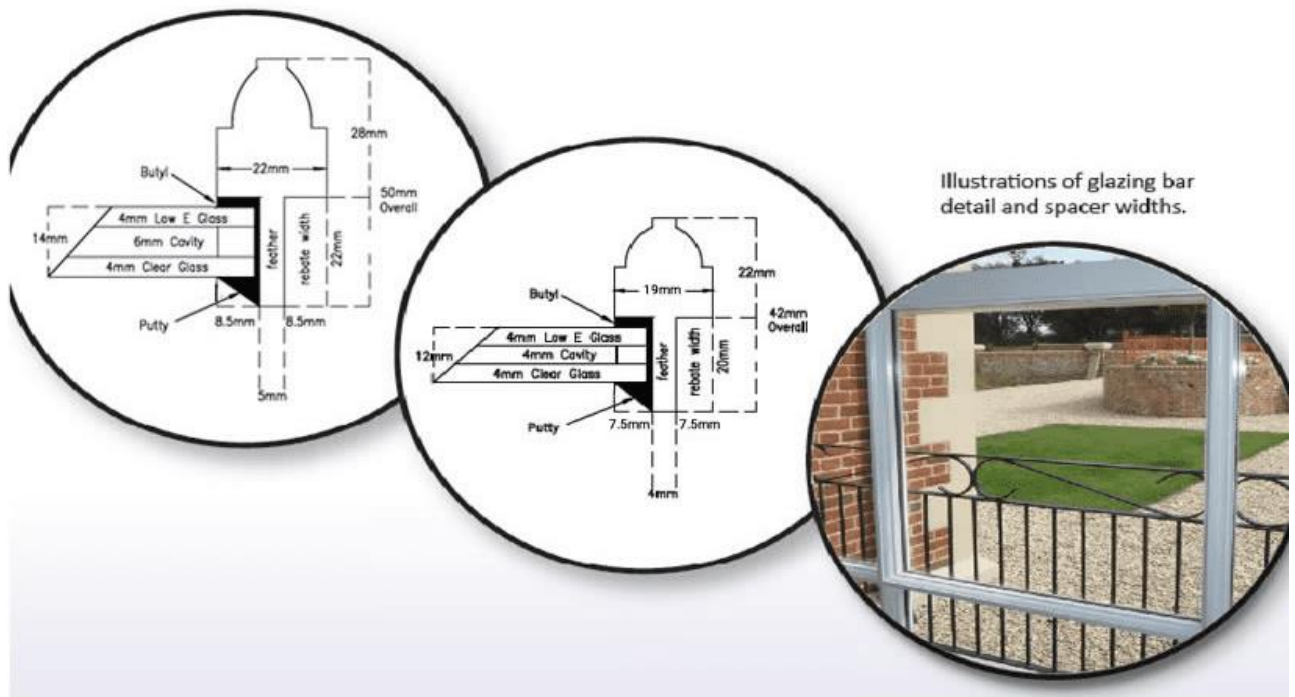

Address: 9 Nightingale Walk, Netley Abbey

12mm Slimline Double-glazed units

Aesthetics

Slenderpane's slimline (slimlite) units are designed to give the appearance of single glazing but with all the benefits of thermal insulation and reductions in condensation and sound transference that normal double glazed units provide.

This fact has contributed to an increasing number of conservation projects across the UK receiving planning permission to use slimline units thereby addressing the balance of aesthetics versus energy efficiency.

Illustrations of glazing bar detail and spacer widths.
