Dear Gary,

F/22/93841 - 18 CROWSPORT, HAMBLE-LE-RICE

Apologies for the delay in responding to this consultation request.

Whilst there is some vegetation on site, including hedging, a birch and a number of conifers, none of the trees provides significant levels of amenity due to the size of the specimens and their location relative to the public realm.

Therefore, we raise no arboricultural objection to the proposal.

Kind regards,

Chris.
