Hi Rachael,

Please see HPC's comments regarding the above planning application which was debated at last night's Planning Committee meeting:

To raise an objection on over-development 59.B.E, loss of privacy, loss of visual amenity, inadequate parking and concern for trees with TPO's.

During our meeting, we had 3 neighbours attending the meeting, who had not received notification of this planning application, and have requested an extension of the deadline so they can fully prepare their comments.

Regards
Christine
