

Conservation Area Assessment Form

Application Number	T/22/93785					
Surveyor	Charlotte Holloway					
Address	2 BROOMHILL WAY SO50 4RL					
Proposed work	1 no. Oak (T2) - Remove 6 lowest branches on the trunk of the tree.					
Assessment Date	17/10/22					
Officer comments	The oak is in the rear of 2 Broomhill way. It has some visibility from the front of the property, however forms part of a green screen between residential properties and Boyatt Lane and Bosville. The tree has fair amenity value. The proposed works are to minor lateral growth on the stem. The removal of these branches is unlikely to have an impact of the longevity of the tree and will enable access to the rear garden space.
