

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/22/93822					
Surveyor	SK					
Address	22 WHITE'S WAY, HEDGE END, SOUTHAMPTON, SO30 2JY					
Proposed work	1 no. Oak (close to bin stores at 21-41 White's Way) - Prune back up to 2m of material to keep clear of building.					
Assessment Date	01/11/2022					
Officer comments	Site visited – trees behind flats but visible from road and car park, and the windows to the rear of the flats. The oak is in contact with the bin store to the rear of the properties. Pruning (crown lifting) to give clearance of 2-2.5m will remove small diameter branches and not alter the amenity of the tree to the public or residents. Restrict cut size to 75mm in diameter to limit potential for heartwood to be exposed.
