I object to the development of
SINGLE STOREY - Rear Extension
on the following grounds:

- 1) It will be an overdevelopment in area
- 2) The House has spacious front / back
at the Rear for sole purpose of Relaxation
- 3) The drainage is overflowing to the
Neighbouring House beyond Rear Garden
creates problems controlling flood / excess water
- 4) There are quite number of Vegetation
and surrounding trees - All of
which make it a Executive Area.
- 5) The Sewerage System is over
loaded & has Adverse effect on Surroundings
- 6) The development gives rise to High Noise
levels over a long period of time - Nuisance
