Good afternoon, Akheel

Thank you for consulting Pollution Control here in Eastleigh Borough Council

We are aware of the planning application and recently provided comment to colleagues in Hampshire County Council. These will inform planning conditions if planning permission is to be granted.

Having downloaded the documents posted on the Environment Agency's website, and scanned these for review in detail, we find the noise impact assessment and information is outdated or different to what has been submitted to Hampshire County Council:

- In respect of CS/22/92808, HCC received Wardell Armstrong report "Industrial Noise Assessment" dated 18 October 2022 reference BR10131 report number 0006 version V1.0 status Final
- In respect of EPR/KB3302CQ/A001, Environment Agency received Venta Acoustics report "Noise Impact Assessment" dated 2 November 2021 reference Report VA3825.211018.NIA
- To clarify, the report dated 2 November 2021 is unacceptable and reason to object to the environmental permit application.

Would you take this up with the applicant please because we object to a permit being granted based on the materials received by the Environment Agency. This is important because the planning applicant and permit must align, be the same and based on the same material or demonstration.

Please reconsult us when new (the more recent we have seen via HCC) noise impact assessment and information is available to us from Environment Agency.

In the meantime, for this reason and to be clear, we object to the application for environmental permit.

Kind regards

Jonathan Pyke

Subject: Consultation on environmental permit application - EPR/KB3302CQ/A001 - LD to NS 01-11

Dear Sir/Madam

Consultation on environmental permit application

Application reference: EPR/KB3302CQ/A001

Operator name: Aquavitrum Ltd

Facility name and address: Aquavitrum, Eastleigh Glass Recycling Site, Chickenhall Lane, Riverside Industrial Park, Eastleigh, SO50 6JQ

You can view and comment on the application here <https://consult.environment-agency.gov.uk/psc/so50-6jq-aquavitrum-ltd>

We are writing to you as we want to make sure you are aware of this application and give you the opportunity to comment on any matters you think may affect our determination.

Local authorities - please tell us if you are aware of any noise or other amenity issues at this site, or if there is any enforcement action that you think we may need to be aware of.

Please be advised that this consultation has been sent to The UK Health Security Agency (UKHSA) and the relevant Director of Public Health for assessment.

It would help us if you can let us know that you are planning to respond or if you have no comments. If we do not hear from you by the due date we will assume you have no comments.

To comment on this application, please use the link above. Alternatively send any comments you have to psc@environment-agency.gov.uk by **29 November 2022**

To discuss this consultation, please phone Mohammed A Yahseen on 07557 499 413 or email akheel.yahseen@environment-agency.gov.uk

If you have trouble accessing the application documents please phone me on 03708 506 506 or email psc@environment-agency.gov.uk.

Yours faithfully

Annette Morton
