

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/22/93968					
Surveyor	SK					
Address	HIGH TREES, LONG LANE, BURSLEDON, SOUTHAMPTON, SO31 8DA					
Proposed work	1 no. Ash (Tree 13)- Reduce 2-3 number low hanging branches where overhanging road to reduce loading on the branches. 1 no. Ash (Tree 14) - Remove lowest main branch where overhanging road. 2 no. Oaks (Trees 6 and 7) - Reduce lowest hanging branches by 1-2 metres to reduce loadings on the branches.					
Assessment Date	08/11/22					
Officer comments	Two ash on the frontage of the property – 2 mechanical fractures on the lower limbs of one, unlikely to be vehicle impact damage as the first failure is above the later one. No inclusion obvious at break point. Target is elevated by the school opposite. Oaks are hanging slightly low over the road on the other side so these works will avoid a S254 notice.
