☒ the box below

1.The garage replacement hereby approved shall only be used in connection with the residential use of the property and shall not, at any time, be used for living accommodation, business, commercial or industrial purposes.

Reason: The site is not considered suitable for subdivision or to be in a non-residential use.

2. No excavation, demolition or development related works shall take place on site until a scaled and referenced tree protection plan, as per British Standard 5837:2012 (Trees in Relation to Design, Demolition and Construction – Recommendations), is submitted and approved by the LPA. The approved tree protection plan must be adhered to in full, and may only be modified subject to written agreement from the LPA.

Reason: To retain and protect the existing trees which form an important part of the amenity of the locality.

Note to Applicant: If bats or any signs of bats are found during construction, all work must stop immediately, and Natural England must be called.

Note to Applicant: It is recommended to add a built-in bat brick or swift brick (which other birds will also use) to the new two-storey rear extension, but not above a window or door.

Note to Applicant: It is requested that the building works are carried out considerably to minimise disruption to the occupiers of the neighbouring properties. The council operates a code of best practice, which is available on the council's website www.eastleigh.gov.uk by following the links to Planning and Building, Building Control, then select 'Considerate Builders Advice Note'.

Note to Applicant: In accordance with paragraph 38 of the National Planning Policy Framework (February 2019), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.
