

H/22/94087 - 14 SOUTHERN ROAD, WEST END

Trees Consultation Response

There are a number of significant, protected trees on site. At this stage, no arboricultural documents have been provided demonstrating that the proposal is feasible with regards to trees. Therefore, we are unable to assess the application. We raise a holding objection and invite the applicant to submit arboricultural information, as per British Standard 5837:2012 and the Trees and Development SPD.
