Dear Ms Morris,

**UNIT 1, HEDGE END RETAIL PARK, CHARLES WATTS WAY, HEDGE END,
SOUTHAMPTON, SO30 4RT**

Consent to display 3no. internally illuminated wall hanging signs mounted to the face of the building (Sign A); 2no. internally illuminated flexible faced tensile showcase sign mounted to the face of the building (Sign B); 1no. vinyl film logo applied to glass of entrance lobby (Sign C); and 1no. Opening times panel and image - vinyl film graphic applied to shopfront glazing (Sign D).

In regard to application A/22/94173, having reviewed the information contained within the application pack, it noted that all signage is flat to the building, therefore not causing any obstruction (visual or physical), and luminance levels are appropriate at 108cd/sqm.

It is therefore confirmed that there is no objection to the proposals from a highways perspective, subject to the following condition being applied.

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than the applied for 108 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours sincerely,

Matt Grantham

Director of Economy, Transport and Environment
