

Objection to Planning Permission at
12 Underwood Road, Bishopstoke SO50 6FW.

I bought 10 Underwood Rd for the open views
to the rear of our property being South facing
for the Sunlight & views as far as Rose
Bowl in Hedge end Townhill Park &
Bishopstoke Water meadows & Valley.

~~USRAA~~ I suffer from claustrophobia which
causes me anxiety of being enclosed
in & not having an open view.

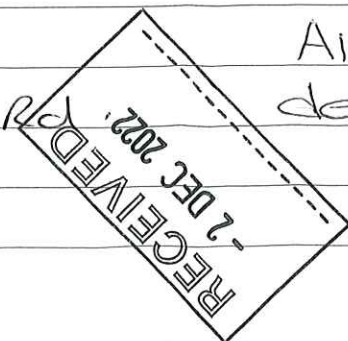

It is ~~brary~~ that a developer has come
in to make a quick profit for no thought
of people who live here and will continue
to live here for rest of their lives.

Developer does not live in the area
has no domestic need for property to be
built only profit.

To the right to our rear we have flats
~~looking~~ one looking over rear and 70ft
trees blocking sunlight.

Judging from plans on your website
the 2 properties that they will be building
will be less than 1/2 way down our
garden blocking our view by 30%
plus more noise levels & being overlooked
into our bedroom windows.

Also this will
de-value my property.
