E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal?

Yes

☐ No

(a) That planning permission should be granted for what is alleged in the notice.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

The facts are set out in

☒ the box below

The new fences that were erected were replaced like for like by a garden landscaper. The only difference being we used concrete posts to extend the life expectancy as the wooden ones previously used were rotten. I bought the property in May 2018 and the existing fences were already in situ and had been for a long time previous to my ownership. The company that carried out the work of replacing the fences have sent me a letter confirming that they only replaced like for like and no other alterations/additions were made.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land?

Yes

☒ No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts?

Yes

☐ No

2. Hearing

3. Inquiry

G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes ☐ No ☒

2. Are there any planning reasons why a fee should not be paid for this appeal? Yes ☒ No ☐

☒ the box below

We do not feel that planning permission is required as the fences were replaced like for like and we have only upgraded them for a better quality due to deterioration of the existing fences.
