Thursday 15 December 2022

Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure) (England)
Order 2015

Application No. H/22/93629

In pursuance of their powers under the above Act and in accordance with your application received on Friday 7 October 2022 the Council, as Local Planning Authority hereby **Permit** the following :

Description: Conversion of detached double garage to habitable dwelling on ground floor and in roof space. To replace existing roof into 45 degree gable end roof with flat dormer to front facing east elevation & gable ends facing north & south elevations (amended plans).

Site: THE BUNGALOW, KNOWLE HILL, EASTLEIGH, SO50 4LZ

Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall be implemented in accordance with the following plans numbered: BLOC 01, EL-01, EL-02, EL-03 Rev 1, EL-04 Rev 1, FL-01 Rev 1, FL-02, LOC 01 and RO-01 Rev 1

Reason: For the avoidance of doubt and in the interests of proper planning.

- 2 The development hereby permitted shall start no later than three years from the date of this decision.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 Notwithstanding the approved plans, no development shall start until details and samples of the materials to be used in the construction of the external surfaces of the development hereby permitted have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory visual appearance in the interest of the amenities of the area.

- 4 The annexe hereby permitted shall only be used in conjunction with the existing dwelling or by a dependent relative of the occupiers of the existing dwelling and shall not be sold off, occupied or used as an independent unit of accommodation.

Reason: The property is not suitable for sub-division into two separate dwellings.

Note to Applicant: In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be informed. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/im-working-on-a-building-withbats/ive-found-a-bat-during-works>

Note to Applicant: Biodiversity enhancements are required.

A bat box or a swift nest box on the main house may be appropriate for this site. The Bat Conservation Trust recommends installing a bat brick/box at least 4 m above the ground, away from artificial light sources, sheltered from strong winds and exposed to the sun for part of the day, facing south, south-east or south-west. (<https://www.bats.org.uk/our-work/putting-up-yourbox>)

Swift nest boxes are best positioned under the eaves or on walls facing north, northeast or northwest out of direct sunlight, five metres above the ground, with clear adjacent airspace so swifts can access them in a high-speed direct flight. (<https://www.swiftconservation.org/Nestboxes%26Attraction.htm>)

Note to Applicant: In accordance with paragraph 38 of the National Planning Policy Framework (July 2021), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Yours faithfully
