Dear Ms Altman,

THE BRIGADIER GERARD, BOTLEY ROAD, HORTON HEATH, EASTLEIGH, SO50 7DQ

Construction of car park extension for the purpose incidental to the existing use of land

In regard to application F/22/94243, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highways perspective.

There is no change of vehicle access onto the highway proposed; the parking spaces are adequately sized; and a suitable 6.0m turning aisle width is given. Whilst the surface material is migratory, there is sufficient distance between the proposed car park area and the highway to prevent the material from reaching Botley Road and so this is not deemed an issue.

Yours sincerely,

Matt Grantham
