Dear Ms Sharpe,

**COUNTESS MOUNTBATTEN HOUSE, MOORGREEN HOSPITAL, BOTLEY ROAD,
WEST END, SOUTHAMPTON, SO30 3JB**

**Alterations to existing car park to create additional parking. Installation of a
timber log cabin**

In regard to application F/22/94356, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highways perspective.

The shortage in parking at Countess Mountbatten House is a known issue, and in recent years has been partly addressed through off site parking at the Ageas Bowl. As such, it is not anticipated that additional vehicle trips will be result if the proposals proceed, rather they will simply be re-assigned to the hospital grounds.

In terms of layout, this has been reviewed and is acceptable, with adequately sized parking bays, and at least 6.0m aisle widths within which vehicles can manoeuvre for forward gear access and egress.

Yours sincerely,

Matt Grantham
