

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/22/94313					
Surveyor	SK					
Address	3 LONSDALE GARDENS, PROVIDENCE HILL, BURSLEDON, SOUTHAMPTON, SO31 8JY Sara Pettitt Treemenders					
Proposed work	1 no. Beech (T1) - Fell this small tree in decline, unlikely to reach maturity, little amenity value.					
Assessment Date	20/12/22					
Officer comments	Beech growing in the side of the access drive to three properties. Not very visible from the main road, but is visible from the flats to the south and the other properties in the development. Little space for replanting. The top section has died off, which may be drought related given the harsh growing conditions. The remaining canopy appears to have viable buds.
