Dear Gary

Re: Planning Application No. F/22/94336
Our Ref: SOU22072

I refer to your email dated 20/12/2022.

The proposed Extension to an existing industrial building to provide 1225 square metres of additional floor space at PRYSMIAN CABLES LTD, CHICKENHALL LANE, EASTLEIGH, SO50 6YU, has been examined from an aerodrome safeguarding perspective and does not conflict with safeguarding criteria. We therefore, have no objection to this proposal.

Given the nature of the proposed development it is possible that a crane may be required during its construction. We would, therefore, draw the applicant's attention to the requirement within CAP 1096 the Guidance to crane users on the crane notification process and obstacle lighting and marking.

Regards

Nigel Spence
Airside Assurance Manager
