

H/22/94328 – 30 Pine Crescent, Chandlers Ford, SO53 1LL
Chandlers Ford Parish Council Consultation Response received 10/01/23

The planning committee for Chandlers Ford Parish Council would like to submit a comment about the planning applications for 30 Pine Crescent (ref no: H/22/94328).

'Proposed Comments on Application No H/22/94328, 30 Pine Crescent

We have concerns that the fence as proposed may be regarded as intrusive, and insensitive to the area. At 1.8m, the fence would be higher than normally permitted next to a highway, and the position of the property on a street corner increases the visual impact of the fence.

We also have concerns that there may be possible damage to the tree on the corner should a fence be erected there.'

With regards

Hilary
