Dear Mr Osmond,

PRYSMIAN CABLES LTD, CHICKENHALL LANE, EASTLEIGH, SO50 6YU

Extension to an existing industrial building to provide 1225 square metres of additional floor space

In regard to application F/22/94336, having reviewed the information contained within the submitted application pack, there is no objection to the proposals from a highways perspective.

Having reviewed the Design & Access Statement and associated plans, it is understood that the additional floor space is to be utilised as a storage facility only, providing a betterment to the current site facilities.

In tern, it is understood that no additional staff or vehicle trips to site would be anticipated, with no additional manufacturing taking place. Additionally, the area upon which the building will be located appears to be un-utilised, and no parking will be lost as a result of the proposals.

Finally, no changes to vehicle access in and out of the site from the highway are proposed.

Yours sincerely,
Matt Grantham
