

F/22/94105 – 20 Grange Park Mobile Homes, Shamblehurst Lane South, Hedge End, SO30 2FP

Asset Management Consultation Response received 10/01/23

I have no comments other than to say the resident will require the councils consent as landlord to the application in addition to planning consent. The application should go to our site manager at PCC who will make a decision in line with our policies for the site. Please ensure the resident is aware that planning permission by EBC does not constitute permission as landlord of the site

Thank you.
