Dear Mr Goodman,

Application No: CS/23/94465
Description: TVBC consultation: for battery electrical storage system (BESS), with substation, transformer stations, site accesses, internal access tracks, security measures, access gates, other ancillary infrastructure and landscaping and biodiversity enhancements
Site: Land South West Of, Misslebrook Copse, Misslebrook Lane,

Thank you for consulting Eastleigh Borough Council in relation to the above proposed development. Having viewed the proposals, I can confirm at this point the Council has no objection. However, please be aware that we are dealing with a concurrent application for the portion of the proposed development within Eastleigh Borough Council's boundaries, on which Test Valley Borough Council will soon be consulted – Our Ref: F/23/94457. Details can be viewed on the Council's website via the link below.
