

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/23/94399				
Surveyor	SK				
Address	KINGDOM HALL OF JEHOVAHS WITNESSES, STONEHAM LANE, EASTLEIGH, SO50 9HQ				
Proposed work	1 no. Conifer (T1)- fell 1 Group Willows (G1)- re-pollard.				
Assessment Date	24/01/23				
Officer comments	Trees grow along a stream to rear of site (eastern boundary) and are not visible from Stoneham Lane but are visible from the rear of the properties opposite in Monks Brook Close Repollarding is maintaining a traditional practice and is not contentious. The conifer is a Lawsons Cypress, of reasonable size and in good health, but is not easily visible from public view points and thus does not provide high amenity.
