Dear Clare Martin.

RE: Planning Request of
BARTON PEVERIL College
Chostant Avenue
EASTLEIGH
SO50 5ZA

Application No: F/22/94434

Description 2 Story Building for ART AND Design
SCHOOL.

I object strongly on this building on these grounds

- ① OVERDEVELOPEMENT. BARTON PEVERIL HAS DOUBLED
IN SIZE IN THE LAST 8/9 years
Already
- ② Highways
 - ① PARKING HAS BECOME IMPOSSIBLE
AT TIMES DUE TO ILLEGAL
PARKING - as PUPILS ARE PICKED
Dropped off etc.
 - ② Extra Pupils will cause more
noise + LITTER so SERVICING
will become more of a problem
 - SAFETY ③ Pupils use service entrance by
motorbikes, cars and walking

②

There have already been several accidents outside

Building = The car park inside the college is being destroyed by the building so were is anyone going to Park.

Roads = Become totally blocked by cars, bikes etc.

Privacy = I can't open ^{HOUSE} windows because of noise pollution. Overlooking in backyard is also a problem which will get worse with new building.

I know that these problems may be small compared to a lot of others but the effects on my life and some neighbours has been intolerable and is getting worse, due to the already overdeveloped college.

Yours Faithfully
