Hi Rebecca,

F/22/94241 - Land adjacent to Boorley Park Primary School, Nairn Road, Botley

Arboricultural Documents

None

Comments

As part of a previous submission, arboricultural information was submitted. However, it was not seen as being relevant because of the lack of significant trees on the site – there was some screening and hedging, but nothing arboriculturally significant.

Whilst no arboricultural information has been submitted with this application, we do not raise an objection to the proposals given the lack of significant trees on the site.

Kind regards,

Chris.

Chris Stringer

Tree Consultant

Would you please let me have your observations on the above application.

You can access the plans and documents through [Salesforce](#). At the top of the screen type the planning application number into the search box and either select the application from the list displayed or press the enter key and select it from the list of results.

In order to meet the Government's challenging targets for our speed of determining applications, we require any comments you wish to make within 14 days from the date of this memo. Failure to meet this time period will usually result in an application being determined without your comments being considered.

Please reply to the planning officer on the below email address.
