Representative	Address	Comments
Susan Gulliver	24 NICHOL ROAD CHANDLER'S FORD EASTLEIGH SO53 5AS	I have no objection to this house opposite mine having these alterations done
Jackie Moger	26 NICHOL ROAD CHANDLER'S FORD EASTLEIGH SO53 5AS	We are completely in favour of this application & have no objections whatsoever.
Bert Morris	3 SYCAMORE AVENUE CHANDLER'S FORD EASTLEIGH SO53 5RJ	Most of the houses in the area have been extended, including our own, and the these have added to the ambiance and appeal of the area making it a desirable place in which to live. We therefore support the planning application.
Richard Colbourne	25 NICHOL ROAD CHANDLER'S FORD EASTLEIGH SO53 5AY	Cuts out light to a habitable room in no 25
Keith and Ann Colbourne	25 NICHOL ROAD CHANDLER'S FORD EASTLEIGH SO53 5AY	These plans are very much the same as h/2293059 which were rejected by planning office .. although the gable to the first floor has been omitted. The same plans for the wall and roof extension will still only give us very little light if any ,as it is so close to our window. We are elderly people and should not be subject to (27) determination
