Dear Sir/Madam

**Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure)
(England) Order 2015**

Application No: F/21/91185
Description: NON-MATERIAL AMENDMENT FOR ADDITIONAL TURNING HEADS CONDITION
Construction of road between Allington Lane and Burnetts Lane with associated footway, cycle paths, water crossings, drainage and landscaping (This application is subject to Environmental Impact Assessment)
Site: Land between Burnetts Lane and Allington Lane,

I refer to your Non-Material Amendment application received on 26 January 2023 for the following change to the planning permission:

Addition of turning heads condition:

“Prior to the stopping up of Fir Tree Lane plans showing turning heads on Fir Tree Lane shall be submitted to and agreed, in writing, by the Local Planning Authority. The works shall thereafter be implemented as agreed prior to the stopping up of Fir Tree Lane”.

I have examined your drawings and consider that the revision can be treated as a non-material amendment to the above planning permission and as such is hereby permitted. The additional condition is condition 26 of planning permission F/21/91185.

The conditions specified on the original planning permission will continue to apply in addition to this new condition 26.
